We are excited to announce a compulsory participation in making of Artefacts and Handicraft articles aimed at fostering creativity, skill development, and a deeper understanding of the significance of crafting.

Crafting isn't just about creating beautiful objects; it's also about honing essential life skills. Through this activity, students enhance creativity, develop patience and persistence and cultivate problem-solving skills.

An exhibition will be organised in the month of July to showcase the creativity and the innovative artwork of the students.

*** It is compulsory to submit your holiday homework and craft work after summer vacation.**

HAPPY SUMMER VACATION
